Respected Sir/Madam,

I am writing to seek permission to organise and host a non-technical event as part of NOVUS 2026. Since the event is scheduled to take place in October, we would like to incorporate a Halloween theme to make the event engaging, interactive, and enjoyable for the students.

The tentative details of the proposed event are as follows:

- **Event Name:** Hex & Havoc
- **Theme:** Halloween

- **Target Audience:** 1st-Year and 2nd-Year Students
- **Duration:** 2 Hours
- **Registration Fee:** ₹100 per participant
- **Venue:** Basement
- **Nature of Event:** Non-Technical

The event will include a series of Halloween-themed activities and challenges, such as mystery-solving games, team challenges, Halloween charades, fun dares, and other interactive activities. Participants may compete individually or in teams, depending on the final event format. The activities will be designed to be enjoyable, inclusive, and suitable for the college environment.

The details of the team members are as follows:

1. **Full Name:** Kothali Venkata Sai Vijaya Katayayini
Roll Number: 2620080028
2. **Full Name:** Bonela Aviyah
Roll Number: 2620030112
3. **Full Name:** Munagala Yashashri
Roll Number: 2620030190

We kindly request you to consider our proposal and grant us permission to organise and host “**Hex & Havoc**” as part of NOVUS 2026. We would be grateful for your approval and guidance regarding the further planning and arrangements for the event.

Thank you for your time and consideration.

Yours sincerely,
